We love to hear what our guests think in order to improve what we offer.

Oddfellows On The Park is explicitly and unapologetically about fun, theatre and good times together.

Our cocktails are all about the ingredient – you'll see home-infused spirits, locally sourced spirits and of course our own specialty creations Including some delicious non alcoholic options.

With our wine selection, we've taken care to reach out to family owned vineyards and artisan producers. We will have some fabulous wines available by the glass and of course the bottle we are sure you'll enjoy trying these...

Because no great story starts with a glass of water!

## IRISH WHISKEY

The Irish may have been the first distilleries in the British Isles and, for a brief period in the 19th century, Irish whiskey reigned supreme over its Scottish rival. Boom was followed by bust, and near extinction, but today the good times are back, with distilleries popping up all over the Emerald Isle.

## JAPANESE WHISKEY

Japanese culture can prove elusive to the western psyche and much the same could be said for the country's whisky. The huge variety of production techniques produces multifaceted whiskies with a unique identity.

## AMERICAN WHISKEY

Whiskey is made all across America, from Washington to Virginia. From Tennessee whiskies to spicy rye and un-aged corn, the country uses a wide variety of grains in whiskey production.

## COGNAC

Legend has it that in 1620, casks "forgotten" for several years on a wharf were discovered to contain Cognac brandy that had improved over the time it had been left in oak. The aging process revealed flavours and aromas that the near-immediate consumption of the spirit had never uncovered.

### HIGHLANDS

Scotland's largest whisky region boasts a dizzying array of style, from rich textures to fragrant florals, as befitting a diverse landscape of coastline, moor and mountain.

Dalmore 12yr	£8.00
Johnnie Walker Black 12yr	£5.50

### ISLANDS

There are nearly 800 islands scattered off Scotland's jagged coastline, of which only a few are inhabited. Excluding the whisky hotspot of Islay, islands of Arran, Mull, Jura, Skye, Lewis and Orkney are home to an eclectic mix of styles, from light citrus to full -on peat smoke.

### LOWLANDS

This is the home of the blend, and of the large quantities of grain whisky which result from its foundation – but a few producers keep up the trademark light and grassy Lowland malt style.

Glenkinchie 12 Year old	£6.50
-------------------------	-------

### SPEYSIDE

Speyside whisky sits in two camps. At one end of the spectrum lies the light, grassy 'lunch-time' whisky such as Glenlivet. At the other end lies the rich, sweet, sherried qualities of Macallan.

The southernmost of its island chain, Islay is known as "The Queen of the Hebrides" and is certainly the reigning monarch of a typically smoky, peaty style of single malt whisky.
