# ODDFELLOWS

ON THE PARK | CHEADLE

Oddfellows On The Park is explicitly and unapologetically about fun, theatre and good times together.

Our cocktails are all about the ingredient – you'll see home-infused spirits, plenty of our mixologist's inspired creations and an 'odd' take on the classics.

Non-alcoholic cocktails are equally delicious.

With our wine selection, we've taken care to reach out to family owned vineyards and artisan producers. We will have some fabulous wines available by the glass and of course the bottle

we are sure you'll enjoy trying these...

Because no great story starts with a salad!

## IRISH WHISKEY

The Irish may have been the first distilleries in the British Isles and, for a brief period in the 19th century, Irish whiskey reigned supreme over its Scottish rival. Boom was followed by bust, and near extinction, but today the good times are back, with distilleries popping up all over the Emerald Isle.

## JAPANESE WHISKEY

Japanese culture can prove elusive to the western psyche and much the same could be said for the country's whisky. The huge variety of production techniques produces multifaceted whiskies with a unique identity.

-------------------------	-------

### SPEYSIDE
