Oddfellows On The Park – the perfect anti-airport, airport hotel

Oddfellows On The Park, set in the stunning 120 acres of Bruntwood Park, Cheadle only minutes away by car from Manchester airport has launched an airport experience like no other airport hotel in the world that eases the minds and bodies of weary world explorers.

The 22-bedroomed design-led boutique hotel, which opened in 2017, has beautifully designed bedrooms – complete with triple glazing that masks the sound of the planes overhead, black-out blinds to hide an alien time zone and specifically designed jetlag-busting beauty treatments in the hotel’s petite salon by British organic brand *ila* that can either energise or relax.

For early flyers, a complimentary ‘breakfast-to-go’ bag is placed outside the hotel room, with a fresh juice, seasonal pastry, fruit and yoghurt whilst those with more time on their hands can enjoy The Galloping Major restaurant where chef Ian Moss creates fresh, seasonal and locally sourced dishes.

The hotel’s complimentary vintage bicycles and acres of parkland offers weary jetsetters an opportunity to enjoy some fresh air whilst private sessions of yoga or tai chi on the hotel’s terrace can calm the nerves and stretch weary limbs.

The friendly reception team personally organise a private gated car park close to the airport, with a complimentary transfer directly to the airport terminal. This, alongside, the concierge-style prearrangement of fast track through security and access to a VIP airport lounge and a complimentary printing service of itineraries

and boarding passes makes the airport experience just that little bit easier for guests of Oddfellows.

Notes for Editors - Oddfellows On The Park is the sister hotel to Oddfellows, Chester (www.oddfellowschester.com). It is the only hotel in the UK outside of London to be welcomed into the global Design Hotels™ consortium and sits alongside hotels like Soho Hotel in London and Gramercy Park Hotel in New York. Designed by Tim Groom Architects, with interiors by SpaceInvader, both Manchester based firms, guests will enjoy interesting design pieces throughout including a bike-chain chandelier that is inspired by the Bruntwood Park BMX track and lights up the grand staircase.

Flexible event spaces, the Parlor Bar and Parlor Rooms, are set on the park with direct access to the terrace. The Pigsty, a petite but perfectly formed salon de beauté, houses a relaxation area, two treatment rooms and a rasul mud room.

The hotel is open throughout the day and serves breakfast, lunches, afternoon tea and dinner.

Dogs are welcomed on The Terrace only.
